

SARAH MILLER BOYE

Sarah.Boye@ocfl.net

Orlando, Florida

I am a public historian with extensive experience in historical research, archival preservation, and community-centered storytelling. My work bridges academic research and public engagement through exhibits, oral histories, digital projects, and collaborative partnerships. I seek opportunities that allow me to apply my skills in documenting, interpreting, and sharing local history in ways that are accessible, inclusive, and impactful.

EDUCATION

MA	University of Central Florida Public History Thesis: <u><i>Reframing 'Southern Justice': Public History and the Cultural Legacy of the Civil War in Orlando</i></u>	Summer 2026
BA	University of Central Florida History	December 2022
AA	Valencia Community College General Studies	December 2005

EXPERIENCE

Museum Technician – Orange County Regional History Center, Orlando

Supervisor: Travis Puterbaugh | October 2025 – Present

- Assists with collections care, including safe handling, rehousing, and organized storage of artifacts and archival materials.
- Conducts object cataloging, inventory work, and detailed data entry within the museum's collections management system.
- Performs condition checks and participates in preservation monitoring to support long-term collections stewardship.
- Scans and digitizes materials, creating organized digital files and metadata for internal reference and access.

Graduate Teaching Assistant – UCF History Department, Orlando

Supervisor: Dr. David Morton | January 2026 – May 2026

- Maintain official course records, including attendance tracking.
- Evaluate and assess student written assignments and examinations, providing substantive and constructive feedback.
- Proctor in-class assessments and examinations to uphold academic integrity standards.
- Support course instruction through instructional assistance, including the delivery of lectures and facilitation of class discussions, as assigned.
 - U.S. History since 1877: January 2026 – Present

Project Manager – UCF Public History Central Internship, Orlando

Supervisor: Dr. Scot French | May 2025 – May 2026

- Directs and administers a hands-on internship program encompassing Public History Central, the Veterans History Project (VHP), and the UCF Bicentennial exhibit initiative.
- Oversees preparation of digital and physical collections for future inclusion in the University of Central Florida's RICHES archive.
- Designs and delivers instruction in archival best practices, metadata standards, and digital collections management.
- Coordinates project workflows across archival processing, oral history and Veterans History Project activities, digital history tool training, and exhibit development.
- Supervises, mentors, and evaluates interns engaged in the organization, preservation, interpretation, and public presentation of historical materials.
- Collaborates with faculty, institutional partners, and community organizations to align educational objectives with professional public history practice.

Graduate Researcher – Parramore Speaks, Orlando

Supervisor: Dr. Connie Lester | January 2025 – August 2025

- Supported a collaborative initiative between the UCF and the City of Orlando to document and preserve the oral histories of the Parramore community.
- Directed outreach and coordination of the oral history interview process, working with city staff, community partners, and student intern teams.
- Conducted oral history interviews and oversees post-processing, including transcription, metadata creation, and digital archiving of interview materials.
- Contributed to public-facing deliverables and digital storytelling strategies to amplify community voices and enhance access to local history.

Independent Archival Consultant, Orlando

Freelance | November 2024 – Present

- Conducted primary source research for scholars across various academic disciplines, focusing on collections held in archives in the Central Florida area.
- Provided research support for publications, presentations, and books, utilizing a variety of archival tools and methods.
- Digitized and organized personal and family archives for private clients, ensuring preservation, accessibility, and metadata accuracy.
- Provided archival and historical consulting services for public history projects and private collections.
- Demonstrated strong analytical skills, delivering concise summaries and reports based on archival findings.

Graduate Teaching Assistant – UCF History Department, Orlando

Supervisor: Dr. James Clark | August 2024 – December 2025

- Supervised students during examinations to ensure academic integrity.
- Reviewed and provided feedback on student examinations.
 - U.S. History since 1877: August 2024 – December 2024
 - U.S. History since 1877: August 2025 – December 2025

Project Manager – UCF Community Veterans History Project, Orlando

Supervisors: Dr. Barbara Gannon, Jessie Oldham | January 2024 – December 2024

- Managed a university-led oral history project focused on the lived experiences of Central Florida veterans.
- Oversaw outreach, logistics, and community engagement in partnership with the VA and local organizations.
- Supervised undergraduate service-learning students, providing training in oral history methods, archival workflows, and metadata standards.
- Coordinated a women's history initiative in collaboration with the VA Office of Women's Health to highlight underrepresented voices in the veteran community.
- Funded by The Anne J. Caudal Foundation Grant.

Greenwood Cemetery Researcher – City of Orlando, Orlando

Supervisor: Danielle Abdul-Nabi | May 2023 – July 2024

- Researched, wrote, and published the official Greenwood Cemetery Digital Walking Tour in partnership with the City of Orlando and UCF.
- Supervised and mentored student interns and volunteers in historical research and digital humanities practices.
- Organized community engagement events, including a History Harvest focused on preserving local stories and family heirlooms.
- Designed and implemented both physical and digital exhibits to increase public access to the cemetery's historical narratives.
- Florida Division of Historical Resources grant funded.

Graduate Student Researcher Team Lead – UCF Veterans Legacy Program, Orlando

Supervisor: Dr. Barbara Gannon | January 2023 - August 2023

- Directed collaborative research for the Veterans Legacy Program Institute, connecting educators and researchers to the stories of Florida veterans.
- Supervised a team of graduate and undergraduate researchers in primary source analysis, narrative development, and digital storytelling.
- Contributed to K–12 education initiatives by developing classroom-ready resources rooted in archival and cemetery-based research.
- Department of Veteran Affairs grant funded.

Public History Intern – University of Central Florida, Orlando

Supervisor: Dr. Amanda Snyder | May 2022 – August 2022

- Contributed to the design and implementation of the UCF History Lab, a public history learning space for students.
- Created interactive educational materials and digital content to support engagement with primary sources and public history practice.

DIGITAL PROJECTS

Downtown Orlando Historic District Digital Walking Tour. Forthcoming via *Clio* August 2026.

Historical Researcher and Author, Collaborative Clio Digital Walking Tour

Created in collaboration with local historians Rick Kilby, Rachel Williams, and Tana Porter, this digital walking tour interprets the architectural, commercial, and cultural history of Orlando's Downtown Historic District while exploring the role of historic preservation in shaping the city's identity.

Greenwood Cemetery Civil War Memory Digital Walking Tour. Forthcoming via *Clio* July 2026.

Historical Researcher and Author, Official City of Orlando Digital Walking Tour

Developed in cooperation with the City of Orlando and the University of Central Florida, this thematic tour examines the construction and evolution of Civil War memory in Orlando through Greenwood Cemetery. Highlights include the reinterpretation of Confederate commemoration alongside the recovery of Union, African American, and women's histories, emphasizing how memory is created, contested, and reshaped over time. Features include mapped locations, interpretive narratives, and integrated archival materials.

Beneath the City Beautiful: Uncovering the Hidden Stories of Orlando Buried in Greenwood Cemetery. Forthcoming Podcast expected Fall 2026.

Creator, Host, Researcher, and Producer

An immersive narrative podcast exploring Orlando's untold histories through richly layered audio storytelling, expert interviews, voice acting, and oral histories. Based on original research and developed in collaboration with the University of Central Florida's Center for Humanities and Digital Research (CHDR).

Parramore Speaks Collection. Published via *RICHERS Mosaic Interface* August 5, 2005.

Curator and Contributor

Public-facing digital collection created in collaboration with the City of Orlando and UCF, documenting the Parramore community. Responsibilities included conducting interviews, transcription, metadata creation, and preparing materials for public access via Omeka and the RICHERS Mosaic Interface.

Greenwood Cemetery Historical Walking Tour. Published via *Clio* July 9, 2024.

Historical Researcher and Author, Official City of Orlando Digital Walking Tour

Developed in cooperation with the City of Orlando and the University of Central Florida as part of a Florida Division of Historical Resources Grant to bolster Greenwood Cemetery's historical presence, increase public engagement, and showcase the history of Orlando held within the cemetery through site-based storytelling. Features include mapped locations, interpretive narratives, and integrated archival materials.

HISTORIC MARKER & COMMEMORATION PROJECTS

Greenwood Cemetery Historic Marker Program

City of Orlando & University of Central Florida, 2024

Installed two historic markers for Jonestown and Sunland Hospital as part of a larger initiative to develop the Greenwood Cemetery Digital Walking Tour. Responsibilities

included site selection, research, narrative development, and public engagement strategy.

SKILLS

- **Historical Research & Analysis**
 - Archival research (local, regional, digital, and special collections)
 - Genealogical research methods and tools
 - Oral history methodology and interview techniques
 - Historic document transcription and interpretation (manuscripts, letters, ledgers, etc.)
 - Cemetery studies (site documentation, monument analysis, spatial data)
 - Material culture documentation (objects, ephemera, visual records)
 - Photographic identification and contextual analysis
 - Provenance research and object history tracking
- **Collections & Archival Practice**
 - Archival appraisal and collections survey
 - Prioritization of materials for digitization and preservation
 - Condition assessment, reporting, and preservation documentation
 - Risk assessment and stabilization planning for vulnerable materials
 - Rehousing strategies using archival standards
 - Collections inventory development and baseline documentation
 - Accessioning, cataloging, and collections processing workflows
 - Large-scale collection processing and rehousing (multi-format archival and photographic materials)
 - Donor documentation, deeds of gift, and associated records
 - Collections policy and digitization planning
- **Digital & Public History**
 - Scanning equipment operation and imaging standards
 - Photographic materials handling
 - Preservation and handling of archival materials and fragile artifacts
 - Condition reporting and handling protocols for delicate items
 - Object condition assessment and documentation for museum collections
 - Metadata creation and standards (Dublin Core, controlled vocabularies, file naming protocols)
 - Digital collections platforms (Omeka) and museum collections management systems (Proficio)
 - Object location tracking and inventory documentation
 - Digital humanities tools (StoryMapJS, TimelineJS, Clio, Zotero)

- Exhibit and content curation (online and in-person)
- Content curation for public programs, exhibits, and digital platforms
- Community-based research and public engagement
- Podcast production: creator, host, researcher, editor, and producer
- **Project & Program Management**
 - Workflow development and tracking for collections processing and digitization
 - Collections documentation standards and best practices
 - Collaborative project coordination (campus-community partnerships, grant-funded initiatives)
 - Donor documentation, deeds of gift, and associated collections records
 - Collaborative project coordination (campus-community partnerships, grant-funded initiatives)
 - Intern supervision and mentorship
 - Event planning and workshop facilitation
 - Educational resource development (K–12 and university-level)
 - Grant writing and reporting (NEH, state humanities councils, local and institutional funding)
- **Technical Proficiencies**
 - Microsoft 365, Google Workspace, Canva, Zotero
 - Database and metadata platforms (Excel, Proficio, Omeka, Adobe Lightroom)
 - Audio/video editing tools (Audacity, Adobe Premiere Pro)
 - Social media content creation and digital storytelling
